enroll today

Sometimes, people simply forget to pay their bill. Perhaps they have become ill or travel frequently, or maybe they are first-time bill payers.

We are pleased to offer “Third Party Notification,” a free service that notifies a designated third party if a Piedmont Natural Gas bill goes unpaid. The third party is not responsible for payment; they are simply made aware of the unpaid bill.

HOW DOES THIRD PARTY NOTIFICATION WORK?

- You can choose to designate a third party to receive any late bill notifications you may receive or ...
- You can become the third party contact for someone you care about. Just ask them if they would allow you to be their third party contact

HOW EASY IS IT TO ENROLL?

- If Third Party Notification is a solution for your needs, complete the form on the back and return it to the address below

Once enrollment is complete, we'll notify the account holder and the third party of any late bill notices due to an unpaid Piedmont Natural Gas bill, providing a nice safety net for you or for someone you care about.
